

MODERN LAKE HOUSE

A L A I R

LIVING BETTER STARTS HERE™

CUSTOM LAKE HOME

Project Cost Range: \$1.3M – 1.4M

PROJECT SUMMARY

This 3,500 sq ft home is infused with modern luxury. The architectural design and aesthetics combine both contemporary and rustic to create a warm, modern feel. An open concept layout features high ceilings with solid cedar beams and black aluminum clad windows, allowing natural light to pour in, providing the home with an open, airy feel.

Complete with top of the line finishes, marble tile, and wide plank oak wood floors, and a zero entry garage this custom home is the epitome of modern while still capturing the classic rustic lake house feel.

KEY FEATURES

- Stacked Stone Exterior
- Solid Cedar Beams
- Wide Plank Oak Hardwood Floors
- Icynene Foam Insulation
- Top of the Line Finishes
- Wolf Sub Zero Appliances
- HE Variable Speed HVAC System
